

ACCOUNTABILITY QUESTION ECONOMIC EQUITY

1. Congress seems to be moving toward another round of coronavirus relief. In the previous round, different jurisdictions sought different degrees of input from the community to determine how their relief money would be spent. There were also varying degrees of transparency among jurisdictions to show how the money was actually spent.

Do you commit to establishing a task force composed of community members, with substantial representation of ALICE and the unemployed population, to determine how the next round of coronavirus relief money should be spent? Do you also commit to reporting detailed plans for spending the money to the public, as well as a detailed accounting of the actual expenditures?
